

Introduction To The Video
Who Is The Greatest? (Mk 9:33-37)
Infant Edition

This video of the Gospel, *Who Is The Greatest?* has been prepared for little children.

It presents the story in picture form with text in yellow for a child or teacher to read.

The video then invites children to reflect on the story and what Jesus would see as special in them. This reflection is aided by comments from little children who share what they believe Jesus sees as special in them.

The viewers are then directed, by the text in white, which the teacher to reads, to a short period of meditative prayer. This concludes with a prayer which the viewers to pray together, followed by a song and dance that relates to the theme of this Gospel.

The video runs for approximately 10 minutes.
